People You Like to Meet.

Are found on the through trains of the Santa Fe Route. First-class travel is attracted to first class roads. The Santa Fe Route is a first-class road. It is one of the three largest railway systems in the world. Present mileage 7,734 miles.

It extends from Lake Michigan to the Pacific Ocean and Gulf of Mexico, reaching with its own rails Chicago, Kansas City, Denver, Fort Worth, Galveston, El Paso, Los Angeles and San Francisco.

It runs the finest and fastest transcontinental train, the California Limited.

Its meal service, managed by Mr. Fred Harvey, is the best in the world. Its track is rock ballasted and laid throughout with heavy steel rails.

On such a road as this long distance records are frequently shattered, the latest being that of the "Scotty Special" Los Angeles to Chicago, 2,265 miles in less than 45 hours.

Every comfort and luxury desired by modern travelers.

May we sell you a ticket over the Santa Fe.
